## Intro to ANGEL

ANGEL -> A New Global Environment for Learning

- Replaced Blackboard at MSU in May 2003
- 1,929 Courses for Spring Semester 2005
  - Made up of 2,575 different sections
- 1,967 Faculty actively using the system
- 51,412 Students active
  - With 100,455 member-course enrollments

# Reasons for ANGEL

Many factors went into choosing ANGEL

- Newer Technology
- Ease of use
- Excellent customer support
- Ability to customize LMS code!

#### Student ID Image Policy

In accordance with the guidelines put forth under the University's administrative ruling governing the release of student data, and the University Committee on Security and Confidentiality, student digitized images are to be considered confidential data.

As such, student digitized images are provided to appropriate University personnel for these specific purposes: inclusion in various academic processes (e.g. personalized homework assignments, personalized examinations, etc.), for student face/name recognition (e.g., a seating chart), or, for inclusion in an adviser

The following requirements must be understood and adhered to:

- Images will only be used for one of the above purposes.
- Images will not be re-transmitted, shared or otherwise reproduced. Images will be purged at the end of the term, or other shorter time period.
- If individual students request their images not be used, such requests will be honored.
- If images are used for identification purposes during exams, provisions will be made such that the photo is always separated or detached from the exam itself before grading (preferably by the student or in the student's presence).

By using this Image Class List system to view Student Images, you are held responsible for adhering to the above policy.
