Descriptions — Family and Child Ecology of Courses

855. Family Transitions: Separation, Divorce, Remarriage
Spring of even-numbered years. 3(3-0)
Approval of instructor.
Interpersonal dynamics and adjustments in family life transitions due to changes in marital status. Current research, laws, and programming to meet family needs and enhance effective interpersonal adjustment.

857. The Adolescent in the Family
Summer. 3(3-0) FCE 262A, FCE 263 or approval of department.
An ecosystem approach to selected developmental dimensions and issues of adolescence in relation to the significant contexts of adolescent life.

858. Family Ethics and Law
Spring of odd-numbered years. 3(3-0)
Approval of department.
Ethics, family law and professional development for the marriage and family therapist. Field trip required.

859. Theories of Marriage and Family Therapy
FCE 859 or approval of department.
Approval of department.

865. Community Development Field Study: Project Design
Winter. 3(3-2) RD 864 or approval of department. Interdepartmental with and administered by the Department of Resource Development.
Design of a community development project in a selected Michigan community. Focus on community issues using the action research model of community change (field trips required).

866. Community Development Field Study: Project Implementation
Spring. 4(2-2) RD 865 or approval of department. Interdepartmental with and administered by the Department of Resource Development.
Undertaking the project designed in RD 864 (field project required).

891. Research Methods
Fall, Spring. Summer of even-numbered years. 3(3-0) Approval of department.
Elements of the research process; problem formulation, theoretical frameworks, operationalizing concepts, hypotheses formulation, research design, instrumentation, sampling, analysis, interpretation, and reporting of findings.

894. Field Techniques in Family Study
Spring. 3(0-3) FCE 552, FCE 891 or approval of instructor.
Practical experience in problem selection, data collection in a natural family setting, and analysis and presentation of data in research journal format. Field experience with a family required.

897. Independent Study in Family Ecology
Fall, Winter, Spring, Summer. 1 to 5 credits. May reenroll for a maximum of 9 credits. Approval of department.
Study on an individual or group basis.

898. Laboratory and Field Experience
Fall, Winter, Spring. Summer. 1 to 4 credits. May reenroll for a maximum of 12 credits. Approval of department.
Supervised graduate practicums, observation, internships, and externships.

899. Master's Thesis Research
Fall, Winter, Spring. Summer. Variable credit. Approval of department.

901. Internship
Fall, Winter, Spring, Summer. 1 to 9 credits. May reenroll for a maximum of 12 credits. Approval of department.
Supervised advanced graduate practicums, observation, internships, and externships in the various areas of emphasis.

902. Independent Study in Family Ecology
Fall, Winter, Spring, Summer. 1 to 5 credits. May reenroll for a maximum of 9 credits. Approval of department.
Study on an individual basis.

903. Seminars in Family Ecology
Spring. 2 or 3 credits. May reenroll for a maximum of 9 credits. Approval of department.
Seminars in selected topics.

932. History and Philosophy of Human Ecology
Fall. 3(3-0)
History and development of human ecology as an interdisciplinary field of study. Values underlying the field. Current emphasis.

935. Family Ecology Theory Development
Fall of odd-numbered years. 3(3-0) FCE 891 and one course in family or human development theory.
Assumptions, concepts and propositions in family ecological theory. Application of selected strategies of theory building.

999. Doctoral Dissertation Research
Fall, Winter, Spring, Summer. Variable credit. Approval of department.

FAMILY MEDICINE

515. Health Care in Underserved Areas
Fall. 2 or 3 credits. Admission to a college of medicine or approval of department. Interdepartmental with and administered by the Department of Family Practice.
Professional, economic, and personal issues confronting the practicing physician in medically underserved areas.

516. Migrant Worker Health Care
Spring. 2 to 3 credits. Admission to a college of medicine or approval of department. Interdepartmental with and administered by the Department of Family Practice.
Health beliefs, patient attitudes, economic situation and medical problems of migrant agricultural workers. Introduction to occupational medicine in the agricultural sector, including parasitology, pesticide hazards, taking an occupational history.

520. Directed Studies
Fall, Winter, Spring, Summer. 2 to 24 credits. May reenroll for a maximum of 48 credits. Admission to a college of medicine or approval of department.
Opportunity for direct involvement and experience in functioning family practice. Emphasizes patient, office, and personnel management. Provides understanding and consideration of responsibilities encountered in the practice of family medicine.

521. Substance Abuse Clerkship
Fall, Winter, Spring, Summer. 4(4-0) Grade P in all courses offered in terms 1 through 8 or approval of department.
Individual or group projects on special problems related to family medicine.

522. Principles of Family Practice I
Winter. 1(0-4) Completion of all Unit I course requirements, PHM 550 or approval of department.
Preceptorship experience in family medicine taught by faculty and clinical preceptors at sites located throughout the State of Michigan.

523. Principles of Family Practice II
Spring. 1(0-4) F M 652; systems biology course concurrently. Continuation of F M 652.

524. Principles of Family Practice III
Summer. 1(0-4) F M 662; systems biology course concurrently. Continuation of F M 662.

525. Principles of Family Practice IV
Fall. 1(0-4) F M 672; systems biology course concurrently. Continuation of F M 672.

FAMILY PRACTICE

560. Preceptorship Training
Fall, Winter, Spring, Summer. 3 to 12 credits. May reenroll for a maximum of 36 credits. No more than 3 credits toward degree requirements. One year of medical school. Interdepartmental with and administered by the Department of Human Medicine.
Field experience in primary care taught by primary care physicians throughout the state to medical students from Michigan State University, University of Michigan and Wayne State University.

561. Health Care in Underserved Areas
Fall. 2 or 3 credits. Admission to a college of medicine or approval of department. Interdepartmental with the Department of Family Medicine.
Professional, economic, and personal issues confronting the practicing physician in medically underserved areas.
