ANTHROPOLOGY

427. Religion and Culture
Course: Spring of odd-numbered years. 3(3-0)
P: ANP 101 or ANP 301 or ANP 320.
The anthropology of religion and the symbolic analysis of ritual. Theoretical and ethnographic literature.
QP: ANP 171 OR ANP 221 QA: ANP 464

428. Psychological Anthropology
Course: Spring of even-numbered years. 3(3-0)
P: ANP 101 or ANP 201 or ANP 320.
Cross-cultural perspectives on culture and personality, symbolism, life-cycle, person and self, emotion and cognition, mental illness.
QP: ANP 171 OR ANP 221 QA: ANP 473

429. Culture and Economic Behavior
Course: Fall of even-numbered years. 3(3-0)
P: ANP 101 or ANP 201 or ANP 320 or SOC 101 or EC 202. R: Not open to freshmen and sophomores.
The relationship of economy to sociocultural phenomena in pre-capitalist and dependent capitalist societies.
QP: ANP 171 OR ANP 221 OR SOC 241 QA: ANP 474

430. Culture and Power
Course: Spring of odd-numbered years. 3(3-0)
P: ANP 101 or ANP 201 or ANP 320. R: Open only to seniors and graduate students.
Culture as a system for interpreting experiences through shared meanings and understandings. The relationship of systems of thought to systems of action. Implications for conducting anthropological fieldwork and describing other cultures.
QP: ANP 171 OR ANP 221

431. Anthropology of Institutions
Course: Spring of even-numbered years. 3(3-0)
P: ANP 101 or ANP 201 or ANP 320.
The anthropological approach to urban issues. Cross-cultural perspectives on the informal economy, power, ideologies, and social organization.
QP: ANP 171 OR ANP 221 QA: ANP 477

432. Interpretive Anthropology
Course: Fall of even-numbered years. 3(3-0)
P: ANP 101 or ANP 201 or ANP 320.
Culture as a system for interpreting experiences through shared meanings and understandings. The relationship of systems of thought to systems of action. Implications for conducting anthropological fieldwork and describing other cultures.
QP: ANP 171 OR ANP 221 QA: ANP 477

433. Ethnographic Field Methods
Course: Summer. 3(3-0)
P: ANP 101 or ANP 201 or ANP 320. R: Not open to freshmen and sophomores.
Field research in cultural anthropology. Research design, participant observation, relationship of techniques to methods, and ethics.
QP: ANP 171 OR ANP 221 QA: ANP 480

434. Human Evolution
Course: Spring of odd-numbered years. 3(3-0)
P: ANP 101 or ANP 202 or ANP 340.
Principles of human evolution during the past five million years. fossil evidence.
QP: ANP 100 OR ANP 343 QA: ANP 445

435. Prehistory
Course: Spring of even-numbered years. 4(3-2)
P: ANP 202 or ANP 340 or CJ 210.
QP: ANP 100 OR ANP 340 OR CJ 210 QA: ANP 448

436. Prehistoric Archaeology
Course: Fall of even-numbered years. 3(3-0)
P: ANP 101 or ANP 202 or ANP 340. R: Not open to freshmen and sophomores.
Major issues in prehistoric archaeology. Theoretical and methodological perspectives of prehistory and the symbolic analysis of prehistoric culture. Issues of gender differences and the race concept.
QP: ANP 100 or ANP 343 QA: ANP 444

437. African Archaeology
Course: Fall of even-numbered years. 3(3-0)
P: ANP 101 or ANP 303 or ANP 350.
The archaeological sequence in Africa from the dawn of the Paleolithic to the late Iron Age. Key sites and the interpretation of archaeological evidence.
QP: ANP 100 OR ANP 263 QA: ANP 451

438. European Prehistory
Course: Spring of even-numbered years. 3(3-0)
P: ANP 101 or ANP 202 or ANP 340.
Patterns of development, migrations, and domestication and state evolution. Major issues in European prehistory.
QP: ANP 100 OR ANP 263

439. North American Prehistory
Course: Spring of odd-numbered years. 3(3-0)
P: ANP 101 or ANP 202 or ANP 360. R: Not open to freshmen and sophomores.
Emergence of civilization from first occupation to Spanish Conquest. Use of archaeology, ethnohistory, and history. Major theories of plant domestication and settlement patterns.
QP: ANP 100 OR ANP 263 QA: ANP 460

440. Public Archaeology
Course: Fall of even-numbered years. 3(3-0)
P: ANP 202 or ANP 360.
Federal and state regulations and regulations governing archaeology and historic preservation. Major agencies responsible for compliance.
QP: ANP 100 OR ANP 263 QA: ANP 457

441. Method and Theory in Historical Archaeology
Course: Fall of odd-numbered years. 3(3-0)
P: ANP 202 or ANP 360.
Theory and methodology in historical archaeology and its relation to history and anthropology.
QP: ANP 100 OR ANP 263 QA: ANP 455

442. Frontiers and Colonization in Historical Archaeology
Course: Spring of even-numbered years. 3(3-0)
P: ANP 202 or ANP 360. R: Not open to freshmen.
Cultural dynamics and historical archaeological research in frontiers and colonization situations. European expansion in North America.
QP: ANP 100 OR ANP 263 QA: ANP 458

443. Laboratory Methods in Archaeology
Course: Spring of odd-numbered years. 3(2-2)
P: ANP 202 or ANP 360.
Preparation and preservation of archaeological data. Conservation techniques, analytical methods, and classification.
QP: ANP 100 OR ANP 263

444. Field Methods in Archaeology
Course: Summer. 2 to 6 credits in increments of 2 credits. May reenroll for a maximum of 12 credits.
P: ANP 101 or ANP 202 or ANP 360.
Field research, survey, excavation, mapping, data recording, and field laboratory procedures.
QP: ANP 100 OR ANP 263 QA: ANP 484 OR ANP 485

445. Food, Hunger, and Society
Course: Fall of even-numbered years. 3(3-0)
P: ANP 201 or ANP 202 or ANP 370 or ANP 320 or ANP 370. R: Not open to freshmen and sophomores.
Cultural, economic, social, and ecological factors affecting the production and use of food. Relationship of culture to hunger.
QP: HNF 102 OR ANP 171 QA: ANP 407

446. History of Anthropological Theory
Course: Fall of even-numbered years. 3(3-0)
P: ANP 101 or ANP 201 or ANP 202; one 300-level ANP course.
The 18th, 19th, and early 20th centuries: foundations of anthropological theory. Major contemporary theoretical approaches.
QP: ANP 100 OR ANP 171

447. Anthropology Capstone Course
Course: Spring. 3(3-0)
P: ANP 201 or ANP 360.
Open only to seniors in Anthropology.
Integration of the subdivisions of anthropology. Differences between anthropology and other approaches in the social sciences. Future directions of anthropological inquiry.
QP: ANP 100 OR ANP 171 QA: ANP 479

448. Independent Study
Course: Fall, Spring. 1 to 12 credits.
May reenroll for a maximum of 12 credits.
R: Approval of department.
Individual research and reading supervised by a faculty member.
QP: ANP 499

449. Topics in Anthropology
Course: Fall, Spring. 1 to 4 credits.
May reenroll for a maximum of 12 credits.
P: ANP 101 or ANP 201 or ANP 202, one 300-level anthropology course
Selected topics in sociocultural anthropology, archaeology, physical anthropology, anthropological linguistics, or medical anthropology.
QP: ANP 100 OR ANP 171 QA: ANP 490

830. Language and Cultural Meaning
Course: Spring of odd-numbered years. 3(3-0)
P: ANP 420. R: Open only to graduate students.
QP: ANP 497 OR ORNG 407 QA: ANP 831

822. Religion and Ritual
Course: Fall of even-numbered years. 3(3-0)
P: ANP 484. R: Open only to graduate students.
Cross-cultural comparison of religious beliefs, values, and practices in traditional and developing cultures. Religious institutions in cultural thought. Anthropological theories of religion and culture.
QP: ANP 498 OR ANP 498

Courses with an asterisk (*) have not been approved by the University Committee on Curriculum.
825\textsuperscript{*}. International Development and Sustainability  
Spring of odd-numbered years. 3(3-0)  
P: Interdepartmental with the Department(s) of Resource Development, Political Science.  
R: graduate students  
The environmental, economic, political, legal, managerial and cultural components of sustainable development.  
QF: RD 801

829\textsuperscript{*}. Research Methods in Cultural Anthropology  
Fall of even-numbered years. 3(3-0)  
P: ANP 421. R: Open only to graduate students.  
One course in Statistics, Methodological underpinnings, Project design, field strategies, research techniques, and methods of data analysis.  
QF: ANP 856

830\textsuperscript{*}. Kinship Studies  
Spring of even-numbered years. 3(3-0)  
P: ANP 421. R: Open only to graduate students.  
Cultural notions of kin-relatedness, bonds and conflicts of kinship in familial, political, and other domains.  
QF: ANP 830

831\textsuperscript{*}. Seminar in Cultural Ecology  
Fall of odd-numbered years. 3(3-0)  
P: Approval of instructor.  
Approval of department.  
Anthropological theory of understanding culture as a system of mediation between humans and environment.  
Cultural ecological approaches applied to sociocultural change and stability.  
QF: ANP 865

832\textsuperscript{*}. Class and Ethnicity in Social Differentiation  
Fall of odd-numbered years. 3(3-0)  
P: Approval of instructor.  
Approval of department.  
Anthropological theories on nature and sources of social differentiation and inequality within cultures and ethnic communities.  
Class and ethnic identity in cultural contexts.  
QF: ANP 863

833\textsuperscript{*}. Ethnographic Analysis  
Fall of even-numbered years. 3(3-0)  
P: Approval of instructor.  
Methodological and theoretical issues in the analysis of the ethnographic monograph.  
QF: ANP 856

834\textsuperscript{*}. Medical Anthropology I: Overview  
Fall. 3(3-0)  
Anthropological approaches to the study of sickness, disease, and healing.  
Medical anthropology as a subdiscipline.  
QF: ANP 820

836\textsuperscript{*}. Theories of Sociocultural Change  
Fall of even-numbered years. 3(03-00)  
P: Open only to graduate students.  
Theoretical and methodological issues.  
Major theorists and models.  
QF: ANP 862

837\textsuperscript{*}. Seminar in Economic Anthropology  
Spring of even-numbered years. 4(4-0)  
P: ANP 424 or approval of department.  
R: Open only to graduate students in Anthropology.  
Central research topics in the economic anthropology of peasant societies.  
Dependent capitalist formation and marginal sectors.  
QF: ANP 474  
QF: ANP 874

838\textsuperscript{*}. Agrarian Systems and Social Transformation  
Fall of odd-numbered years. 3(3-0)  
P: graduate status or permission of instructor.  
Anthropological studies of agrarian societies.  
Transformations caused by global, national and local forces.  
QF: ANP 864

839\textsuperscript{*}. Age and Gender  
Fall of odd-numbered years. 3(3-0)  
P: Open only to graduate students.  
Cultural construction of age and gender.  
Its effects on the individual and society.  
QF: ANP 846

541\textsuperscript{*}. Biocultural Evolution  
Fall. 3(3-0)  
P: Open only to graduate students in Anthropology.  
One course in human evolution.  
Major contemporary issues in evolutionary theory, taxonomy, and the evolution of biology and culture.  
QF: ANP 845

541\textsuperscript{*}. Physical Anthropology  
Spring of odd-numbered years. 3(3-0)  
P: Open only to graduate students.  
Approval of department.  
Controversies in biological anthropology.  
History of physical anthropology and current theoretical perspectives.  
Critical approaches to research design.  
QF: ANP 835

542\textsuperscript{*}. Human Osteology  
Spring of even-numbered years. 5(4-2)  
P: Approval of department.  
Human bone biology, skeletal anatomy, and osteological analysis.  
QF: ANP 835

543\textsuperscript{*}. Nutritional Anthropology  
Spring of odd-numbered years. 3(3-0)  
P: ANP 470 or approval of department.  
Food, foodways, and nutrition in different cultural systems.  
Production, storage, processing, and consumption.  
The social significance of eating, foods, and body image.  
Research methods.  
QF: ANP 820

550\textsuperscript{*}. Principles of Archaeological Analysis  
Spring of odd-numbered years. 3(3-0)  
P: GEO 465 or approval of instructor.  
R: Open only to graduate students.  
Formal, spatial, and temporal dimensions of archaeological research design.  
Appropriate analytic techniques.  
QF: GEO 427  
QF: ANP 850

553\textsuperscript{*}. Evolution of Civilization  
Spring of even-numbered years. 3(3-0)  
P: Approval of department.  
Major anthropological theories of the emergence and development of civilizations.  
The role of archaeological data in formulating, testing, and refining these theories.  
QF: ANP 853

554\textsuperscript{*}. Archaeological Theory  
Spring of odd-numbered years. 3(3-0)  
P: Approval of department.  
Archaeological theory and the nature of the archaeological record.  
The use of archaeological data to test social theories of past human behavior.  
QF: ANP 860

555\textsuperscript{*}. The Roots of Contemporary Anthropological Theory  
Spring. 3(3-0)  
Development of contemporary anthropological theory from 18th and 19th centuries.  
Major paradigms in current anthropology.  
QF: ANP 860

580\textsuperscript{*}. Issues in Contemporary Archaeology  
Fall of odd-numbered years. 3(3-0)  
P: Open only to graduate students.  
Approval of department.  
Theories, issues, problems, and methodological innovations affecting the conduct of research in archaeology.  
QF: ANP 856

590\textsuperscript{*}. Individual Readings  
Fall, Spring. 1 to 8 credits.  
May reenroll for a maximum of 16 credits.  
R: Open only to graduate students.  
Approval of department.  
Graduate student projects under faculty direction.  
QF: ANP 876

592\textsuperscript{*}. Seminar in Anthropology  
Fall, Spring. 1 to 4 credits.  
R: Open only to graduate students in Anthropology.  
Approval of department.  
Studies in selected fields.  
QF: ANP 872

599\textsuperscript{*}. Master's Thesis Research  
Fall, Spring. 1 to 8 credits.  
May reenroll for a maximum of 8 credits.  
R: Open only to graduate students in Anthropology.  
Approval of department.  
QF: ANP 899

999\textsuperscript{*}. Doctoral Dissertation Research  
Fall, Spring. 1 to 24 credits.  
May reenroll for a maximum of 24 credits.  
R: Approval of department.  
QF: ANP 999

ARABIC  

ARAB  

101\textsuperscript{*}. Elementary Arabic I  
Fall. 4(4-1)  
Writing, reading, and speaking elementary standard Arabic; focus on conversation and vocabulary building.  
QF: ARB 101  
ARB 102

102\textsuperscript{*}. Elementary Arabic II  
Spring. 4(4-1)  
Continuation of ARB 101; enhancement of student knowledge of written and spoken standard Arabic through textbook lessons, tapes, listening and oral and written classroom work.  
QF: ARB 101  
ARB 102  
ARB 103

201\textsuperscript{*}. Second Year Arabic I  
Fall. 4(4-0)  
P: ARB 102 or placement  
R: ARB 102 or placement  
Reading and discussion of a broad range of cultural material including expository and literary texts from the Arabic speaking world.  
Further development of language skills.  
QF: ARB 103  
QF: ARB 201  
ARB 202

202\textsuperscript{*}. Second Year Arabic II  
Spring. 4(4-0)  
P: ARB 201 or placement  
R: ARB 201 or placement  
Reading and discussion of an advanced range of materials from the Arabic world and locally.  
Further development of language skills and better understanding of Arabic heritage.  
QF: ARB 201  
QF: ARB 202  
ARB 203
