COMMUNICATIVE SCIENCES AND DISORDERS

Department of Communicative Sciences and Disorders
College of Communication Arts and Sciences

803 Research Methods in Communicative Sciences and Disorders
Fall. 3(3-0) R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 803
Hypothesis generation, experimental design, data collection, data analysis, and presentation.

813 Neuroanatomy and Neurophysiology of Speech, Language, and Hearing
Fall. 3(3-0) R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 813
Structural and functional descriptions of the nervous system as it relates to communication sciences and disorders.

823A Acquired Language Disorders
Spring. 3(3-0) P:M: CSD 813 R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823A
Neuropathology, symptomatology, and speech-language rehabilitation of individuals with aphasia and related disorders.

823B Motor Speech Disorders
Fall. 3(3-0) P:M: CSD 813 RB: CSD 813 or concurrently R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823B
Neuropathology, symptomatology, and speech-language habilitation and rehabilitation of individuals with motor speech disorders.

823C Voice Disorders
Spring. 3(3-0) R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823C
Etiology, symptomatology, diagnosis, and treatment of voice disorders in children and adults.

823D Fluency Disorders
Fall. 3(3-0) R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823D

823E Assessment of Childhood Language Disorders
Fall. 3(2-2) R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823E
Evaluation of language disorders of preschool, school-aged, and adolescent populations.

823F Language Intervention: Early Stages
Spring. 3(3-0) P:M: CSD 823E R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823F
Principles of intervention in language disorders for children functioning at or below preschool levels, regardless of chronological age.

823G Language Intervention: Later Stages
Summer. 3(3-0) P:M: CSD 823E R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 823G
Principles of intervention in language disorders for school-age children and adolescents functioning above preschool levels.

823I Cognitive-Communicative Disorders
Summer. 3(3-0) P:M: CSD 813 and CSD 823A and CSD 823B SA: ASC 823I
Neuropsychological, speech-language, cognitive, neuropsychological, and social/emotional rehabilitation associated with traumatic brain injury, dementia, and right hemisphere neurological disorders.

823J Medical Aspects of Speech-Language Pathology
Fall. 3(2-2) P:M: CSD 813 and CSD 823C SA: ASC 823J C: CSD 823B concurrently.
Introduction to assessment, intervention, and management of persons with laryngeal dysphonia, laryngeal dysfunction, and cleft lip and palate. Intensive study of the clinical procedures and instrumentation employed by speech-language pathologists who practice in medical settings.

823K Assessment and Treatment of Dysphagia
Summer. 3(3-0) P:M: CSD 813 RB: CSD 823A and CSD 823C SA: ASC 823K
Introduction to assessment, intervention, and management of persons with swallowing disorders.

823L Counseling in Communicative Disorders
Summer. 3(3-0) P:M: CSD 364 or CSD 344 SA: ASC 823L
Overview of counseling issues related to communication disorders.

823X Augmentative Communication
Spring. 3(3-0) SA: ASC 823X
History and philosophy of augmentative communication. Assessment, system selection, and intervention considerations for aided and unaided systems. Synthesized voice, output and micro-processor-based systems.

843C Hearing Amplification I
Fall. 3(3-0) R: Approval of department. SA: ASC 843C
Historical and contemporary overview of personal amplification for individuals with hearing impairment. Theoretical and clinical strategies for evaluating and fitting contemporary hearing aids.

843I Hearing Amplification II
Spring. 3(3-0) R: Approval of department. SA: ASC 843I
Advanced theoretical and clinical strategies for evaluating and fitting contemporary hearing aids. Assistive-listening devices, classroom amplification, hearing-aid dispensing, and contemporary clinical and research issues in amplification.

843J Manual Communication for Clinical Settings
Summer. 3(3-0) P:M: CSD 344
Introduction to the use of manually coded English sign systems and Pidgin Sign English in diagnostic and treatment sessions.

883 Clinical Practicum in Speech-Language Pathology
Fall, Spring, Summer. 3(0-15) A student may earn a maximum of 15 credits in all enrollments for this course. R: Open to graduate students in the Department of Communicative Sciences and Disorders. SA: ASC 894A
Supervised clinical experience in the management of clients with speech-language disorders.

890 Independent Study
Fall, Spring, Summer. 1 to 4 credits. A student may earn a maximum of 8 credits in all enrollments for this course. R: Open to masters students in the Department of Communicative Sciences and Disorders major. Approval of department. SA: ASC 890
Individualized study under faculty direction.

899 Master's Thesis Research
Fall, Spring, Summer. 1 to 4 credits. A student may earn a maximum of 6 credits in all enrollments for this course. R: Open to graduate students in the Department of Communicative Sciences and Disorders. Approval of department. SA: ASC 899
Master's thesis research.

914A Speech Production
Fall. 3(3-0) SA: ASC 914A
Issues in speech production. Reference to human communication and its disorders.

990 Independent Study
Fall, Spring, Summer. 1 to 4 credits. A student may earn a maximum of 16 credits in all enrollments for this course. R: Open to graduate students. Approval of department. SA: ASC 990
Individualized study under faculty direction.

991 Special Topics in Communicative Sciences and Disorders
Fall, Spring. 3(3-0) A student may earn a maximum of 12 credits in all enrollments for this course. R: Open to graduate students in the Department of Communicative Sciences and Disorders or approval of department. SA: ASC 991
Selected topics in human communication and its disorders.

992 Seminar in Communicative Sciences and Disorders
Fall, Spring. 3(3-0) A student may earn a maximum of 12 credits in all enrollments for this course. R: Open to graduate students in the Department of Communicative Sciences and Disorders. Approval of department. SA: ASC 992
Topical themes in human communication and its disorders.

994 Research Practicum in Communicative Sciences and Disorders
Fall, Spring, Summer. 1(0-15) A student may earn a maximum of 12 credits in all enrollments for this course. RB: CSD 803 or concurrently R: Approval of department. SA: ASC 994
Individual research under faculty supervision.
Doctoral Dissertation Research
Fall, Spring, Summer. 1 to 24 credits. A student may earn a maximum of 99 credits in all enrollments for this course. R: Open to doctoral students in the Department of Communicative Sciences and Disorders. Approval of department. SA: ASC 999

Doctoral dissertation research.
