to show "full time equivalents", however the number of on-campus part-time students is shown as the last The following report shows the distribution of student enrollments in on-campus credit programs at East This report includes both full and part time students with no attempt two items on page one. The Agricultural Training Program operates on a regular full-time term basis. The Short Course figures include only those of eight weeks or more duration of full time work. Lansing and off-campus programs.

In addition to the students shown in this report, Michigan State University offers, (1) non-credit oncampus programs, (2) non-credit off-campus programs, (3) many special courses and conferences through the Continuing Education Service, and (4) large numbers of special courses and events through the Cooperative Extension Service.
