| D+ | 45-49% Third Class Honors | C+ | 2.5 | 3 | 3 |
| D / D- | 40-44% Pass | C | 2.0 | 2 | 2 |
| F | 0-39% Fall | F | 0.0 | 1 | 1 |

Other academic information:

Arcadia University uses the American Association of Collegiate Registrars and Admissions Officers (AACRAO) and Electronic Database for Global Education (EDGE) for grades and credits. The scale used to translate the STEM Summer Research students will depend on the host institution where they are doing their research. For the STEM Summer Research in Dublin students, they will do their research at University College Dublin (UCD), and their work will be assessed using the UCD AACRAO EDGE scale. These grades are then converted to Arcadia grades by Arcadia University and issued to students on an Arcadia University transcript. Furthermore, MSU credits are equal to the credits that appear on the Arcadia transcript.

Arcadia University is located in Glenside, Pennsylvania, USA. Transfer course information can be found on transfer.msu.edu by searching for courses with MSU equivalencies at another institution and filtering by State/Country: Pennsylvania and by Institution: Arcadia University.
