| AU- STEM- London Scale           | Arcadia Equivalent | MSU Grade Equivalent* | Units | MSU Equivalent Credits |
|----------------------------------|--------------------|-----------------------|-------|------------------------|
| 70%-100% First Class Honors      | A                  | 4.0                   | 6     | 6                      |
| 60-69% Second Class Honors Upper | B+                 | 3.5                   | 5     | 5                      |
| 50-59% Second Class Honors Lower | B                  | 3.0                   | 4     | 4                      |
| 40-49% Third Class Honors / Pass | C                  | 2.0                   | 3     | 3                      |
| 0-39% Fail                       | F                  | 0.0                   | 2     | 2                      |
|                                  |                    |                       | 1     | 1                      |

### Other academic information:

Arcadia University uses the American Association of Collegiate Registrars and Admissions Officers (AACRAO) and Electronic Database for Global Education (EDGE) for grades and credits. The scale used to translate the STEM Summer Research students will depend on the host institution where they are doing their research. The STEM Summer Research in London students take courses at the Royal Veterinary College, and their work will be assessed using the Grade Scale for the United Kingdom. These grades are then converted to Arcadia grades by Arcadia University and issued to students on an Arcadia University transcript. Furthermore, MSU credits are equal to the credits that appear on the Arcadia transcript.

Arcadia University is located in Glenside, Pennsylvania, USA. Transfer course information can be found on [transfer.msu.edu](http://transfer.msu.edu) by searching for courses with MSU equivalencies at another institution and filtering by State/Country: Pennsylvania and by Institution: Arcadia University.
