## Other academic information:

Communication Arts and Sciences students are eligible to enroll at the prestigious Caribbean Institute of Mass Communication. College of Social Science students will find a range of courses available in Social Science disciplinary areas.

Communication Arts and Sciences students will have the opportunity to select courses offered by CARIMAC. Approval of selected courses is subject to their availability. Among the courses are those in: Communication, Media Skills, Communication Technologies, Production Techniques, Desktop Publishing, Public Relations, Feature Writing, Media Management, Film Theory, Journalism, New Media

College of Social Science students will find courses in the fields of Economics, Geography, Political Science, Psychology, Social Work and Sociology. Students, however, are not limited to courses offered by CARIMAC or the Social Science disciplines. It is possible to enroll in other courses in humanities and natural sciences.

All students will be required to enroll in a minimum of fifteen (15) credits.
