## Host institution

Sichuan University is a major comprehensive university and the most prominent university in Western China. It grants doctoral degrees in 123 different disciplines and has a student population of over 70,000.

If a student's level of Chinese is advanced enough to take courses in Chinese, and they meet course prerequisites, they may take any course from any department at the university. Otherwise, they will take Chinese language courses and Chinese Studies courses taught in English for international students.

## Academic Calendar
