83-88	3.0		
77-82	2.5		
71-76	2.0		
65-70	1.5		
60-64	1.0		
0-59	0.0		

*Adapted from <http://www.wes.org/gradeconversionguide/mexico.htm> and MSU Registrar

** Every 8-unit TEC course is equivalent to 3 MSU credits

Credit conversion is based on a course-by-course basis. NOT based on the sum of credit earned

Other academic information:

TEC is an accredited four-year institution. Undergraduate programs are taught in two-semester terms every year (16 weeks each, plus 2 weeks for final exams):

Spring term (January-May)

Fall term (August-December)

The maximum allowed academic load for students is 48 units (18 credits) for the January - May and August - December semester terms, and 32 - 40 units (12 - 15 credits) for the January-April, April-June, and September - December trimester terms. TEC recommends international students not to exceed 32-40 units (13-15 credits), The maximum allowable academic load for the summer session is 16 units (6 credits).
