Chairperson Urquhart gave an update on the grading system conversations with the ad hoc committee. The faculty survey is drafted. It was suggested that the ad hoc committee meet with a small focus group to get a better sense of the issues and how they would be perceived prior to releasing the survey. A question was raised whether ASMSU and COGS should participate in the survey or if students should have a separate survey tweaked slightly from the faculty survey. The ad hoc committee will continue its work.
