I. INTRODUCTION

The Michigan State University (MSU) College of Nursing (CON) and Muskegon Community College (MCC) (collectively, the “Parties”) agree that students enrolled in the MCC Associate Degree in Nursing (ADN) program are eligible to apply for transfer admission to the MSU online Bachelor of Science in Nursing program for Registered Nurses (RN-BSN). Students admitted to MSU and the RN-BSN program will be concurrently admitted to the MCC ADN and MSU RN-BSN programs per the provisions outlined in this Agreement.

II. ADMISSION

A. ADMISSION REQUIREMENTS TO MSU

MCC ADN students are eligible to apply for transfer admission to the MSU RN-BSN program per the requirements outlined below:

i. Students apply to the baccalaureate program using the MSU Office of Admissions application form and apply to the RN-BSN program by completing the College of Nursing supplemental application form. It is recommended that students apply during the first semester they are enrolled in the ADN program.

ii. Students must have a cumulative grade point average of 2.75 or higher and earn a 2.00 or higher in each science prerequisite course or its equivalent. Admission to the program is competitive; the most qualified candidates will be selected from the pool of candidates meeting the minimum criteria.

iii. Students must complete the equivalent of MSU’s transfer admission writing requirement.

iv. Students must complete the equivalent of MSU’s transfer admission mathematics requirement.

Additional information regarding transfer admission to MSU is available in the Transfer Student Admission statement in the Undergraduate Education section of the MSU Academic Programs catalog.

B. ENROLLMENT STATUS

MCC students admitted to the MSU RN-BSN program will enroll in sessions at MSU while simultaneously completing the MCC ADN program. Students will be required to register and pay fees at each respective institution when concurrently enrolled.
Students will be eligible to continue enrollment in the MSU RN-BSN program upon graduation from the ADN program at MCC and the successful completion of all other MSU RN-BSN program prerequisites including, but not limited to, a cumulative grade point average of 2.75 or higher at graduation from the ADN, a grade of 2.00 or higher in each science prerequisite course, completion of all other prerequisite coursework, possession of an active, unrestricted RN license, background check, and drug screen.

III. STUDENT ACCESS

A. ACCESS TO MSU AND CC FACILITIES

MCC students who are admitted to the MSU RN-BSN program and who are enrolled at MSU will be granted those privileges and accesses provided to all enrolled MSU students including, but not limited to, housing, commuter parking, libraries, student organizations, athletic facilities and tickets, etc. Students will be eligible for MCC student privileges when enrolled at MCC. Students will be expected to abide by the rules and regulations of both institutions.

Students will be required, as a condition of admission to the Program, to agree that their educational records as defined by the Family Educational Rights and Privacy Act and its implementing regulations may be disclosed by MSU and MCC to each other.

B. FINANCIAL AID

During the sessions of concurrent enrollment in the MSU RN-BSN and MCC ADN programs, MSU will assume the responsibility for processing, awarding and disbursing financial aid, to the extent that students are eligible at MSU for financial assistance, as a part of the broad consortial commitment of this Agreement. MSU will also assume responsibility for monitoring student eligibility, monitoring satisfactory academic progress, refund/repay calculations, record retention and reporting including the National Student Loan Data System and FISAP. Financial aid refunds received by students through MSU may be used to help cover the costs of tuition and fees for coursework at MCC during the summer session. MSU will notify MCC of any concurrently enrolled students receiving financial aid through this Agreement so that they will not be dropped for non-payment prior to the start of the summer session and so that MCC may provide MSU with information about the number of MCC credit hours in which students are enrolled and about enrollment changes, including drops and withdrawals, and grades received for enrolled courses at the end of the summer sessions.

During all other terms of enrollment in the MCC ADN program, MCC will be responsible for processing, awarding and disbursing financial aid to the ADN students. Once students graduate from the ADN program at MCC, MSU will process, award and disburse financial aid to students enrolled in the MSU RN-BSN program.
IV. STUDENT PERFORMANCE AND DEGREE OPTIONS

A. ACADEMIC PERFORMANCE

Students enrolled in the MCC ADN courses are required to comply with the academic standards of MCC. Students enrolled in MSU RN-BSN courses are required to comply with the academic standards of MSU and the academic standards of the MSU College of Nursing RN-BSN program. Any student whose academic record does not meet the academic requirements to remain in good standing is subject to appropriate academic action at the respective institution.

B. DEGREE OPTIONS

Students concurrently admitted to the MCC ADN program and the MSU RN-BSN program will work toward completion of the MCC ADN program. Upon graduation from the ADN program and successful completion of all other MSU RN-BSN program prerequisites, students will continue work toward completion of the MSU RN-BSN program. A maximum of 60 semester credits may be transferred from MCC to MSU. Additional 30 semester credits will be granted by MSU for successful completion of the RN licensing exam. Students will be completing their final 28 credits at MSU. Information regarding MSU graduation requirements is available in the Graduation Requirements for a Bachelor's Degree statement in the Undergraduate Education section of the MSU Academic Programs catalog.

V. POLICIES AND LEGAL INDEMNITIES

Both institutions subscribe to a policy of equal opportunity and will not discriminate on the basis of race, color, gender, age, height, weight, marital or familial status, ethnicity, religion, national origin, disability, or other legally protected characteristic.
D. GENERAL TERMS

This Agreement constitutes the entire understanding between the parties, and supersedes all prior agreements, understandings, proposals, and/or discussions, whether written or oral, between the parties on this subject matter. Any changes to the Agreement must be in writing and signed by both MCC and MSU. There are no third party beneficiaries to the Agreement.

No Representation of Coverage Adequacy. By requiring insurance herein, neither party represents that coverage and limits will necessarily be adequate to protect the other party, and such coverage and limits shall not be deemed as a limitation on either party’s liability under this Agreement.

B. Applicable Law: This Agreement will be governed by the laws of the State of Michigan, without regard to its choice of laws or conflict of law provisions. G. Severability and Waiver: If any provision, term or clause of this Agreement is found to be invalid or unenforceable by any court of law, such invalidity or unenforceability shall not affect the validity of all other provisions, terms or clauses in the Agreement. The failure of either party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of such provisions, nor affect any rights to enforce any provisions of the Agreement in the future.

H. Force Majeure: Neither party shall be liable for any loss or delay resulting from any event which is beyond reasonable control, including without limitation acts of God, flood, fire, natural disaster, war or military hostilities, or labor stoppage, provided that the party claiming force majeure promptly notifies the other party as soon as such event occurs.

Pam,

I just confirmed that we are ready to proceed with the signing. The next step would be to find a date for us to come to Muskegon to sign the contract. The Dean and I and several of the MSU team would be coming if that works for your college. Can you identify who from MCC would be at the event and a person who would be able to assist our administrative assistant Lanette Stevens in confirming a date and time.

I think we have it accomplished except for the ink
Terri
