PART I – NEW ACADEMIC PROGRAMS AND PROGRAM CHANGES

COLLEGE OF AGRICULTURE AND NATURAL RESOURCES

1. Request to change the requirements for the Bachelor of Science degree in Agriculture, Food and Natural Resources Education in the Department of Community Sustainability. The Teacher Education Council (TEC) will consider this request at its February 4, 2019 meeting.

   a. Under the heading Requirements for the Bachelor of Science Degree in Agriculture, Food and Natural Resources Education make the following changes:

      (1) In item 1., replace paragraph two with the following:

      The University’s Tier II writing requirement for the Agriculture, Food and Natural Resources major is met by completing Community Sustainability 301. That course is referenced in item 3., below.

      (2) In item 3. f. delete the following course:

      CSUS 330 Organizational Management for Community Sustainability 3

      Add the following course:

      CSUS 430 Non-Profit Organizational Management for Community Sustainability 3

      Effective Fall 2019.

2. Request to change the requirements for Bachelor of Science degree in Environmental Studies and Sustainability in the Department of Community Sustainability.

   a. Under the heading Requirements for the Bachelor of Science Degree in Environmental Studies and Sustainability make the following changes:

      (1) In item 1., replace paragraph two with the following:

      The University’s Tier II writing requirement for the Environmental Studies and Sustainability major is met by completing Community Sustainability 301. That course is referenced in item 3. below.

      (2) In item 3. d. delete the following course:

      CSUS 330 Organizational Management for Community Sustainability (W) 3

      Add the following course:

      CSUS 430 Non-Profit Organizational Management for Community Sustainability 3

      CSUS 430 may only be used in fulfillment of item d. or item g.

      (3) In item 3. f. delete the following courses:

      CSUS 425 Environmental Impact Assessment 3
      FW 419 Applications of Geographic Information Systems to Natural Resources Management 4
Add the following course:

FOR 419 Applications of Geographic Information Systems to Natural Resources Management 4

(4) In item 3. g. delete the following course:

CSUS 330 Organizational Management for Community Sustainability (W) 3

Add the following course:

CSUS 430 Non-Profit Organizational Management for Community Sustainability 3

CSUS 430 may only be used in fulfillment of item d. or item g.

(5) In item 3. h. delete the following course:

CSUS 447 Community Economic Development 3

Effective Fall 2019.

3. Request to change the requirements for the Bachelor of Landscape Architecture degree in Landscape Architecture in the School of Planning, Design and Construction to the following. The University Committee on Undergraduate Education (UCUE) will consider this request.

a. Under the heading Admission as a Junior replace the section with the following:

Admission

The number of students who can be admitted as sophomores to the landscape architecture major is limited. To be admitted to the Bachelor of Landscape Architecture program, the following factors will be taken into consideration:

1. Completion of 28 credits.
2. Submission of a completed Landscape Architecture application package by the deadline specified by the School.
3. Achieve a grade of 2.0 or higher in the following core Landscape Architecture courses:
   a. LA 140 Graphics and Two-Dimensional Design Studio
   b. LA 141 Graphics and Three-Dimensional Design Studio
   c. LA 200 Introduction to Landscape Architecture
4. Completion of the University, College and School mathematics requirement referenced in item 2. b. (2) below.
5. Completion of PDC 120 Planning and Design Digital Graphics.

Admissions are determined by the faculty on the basis of the relative qualifications of applicants and the enrollment capacity in the program. Admission is competitive. Transfer students and students with 28 or more credits who want to change their major to Landscape Architecture may have previous design work evaluated by the program prior to placement in landscape architecture second-year courses and above.

b. Under the heading Requirements for the Bachelor of Landscape Architecture Degree in Landscape Architecture replace the entire entry with the following:

1. The University requirements for bachelor's degrees as described in the Undergraduate Education section of this catalog; 130 credits, including general elective credits, are required for the Bachelor of Landscape Architecture degree in Landscape Architecture.
Students who are enrolled in the Landscape Architecture major leading to the Bachelor of Landscape Architecture degree in the School of Planning, Design and Construction may complete an alternative track to Integrative Studies in Biological and Physical Sciences that consists of the following courses: Plant Biology 105, an ISP course and ISP laboratory. The completion of the ISP course and ISP laboratory satisfies the laboratory requirement. Plant Biology 105 may be counted toward both the alternative track and the requirements for the major referenced in item 2. below.

The completion of Mathematics 116, or Mathematics 103 and 114, or Mathematics 103 and Statistics and Probability 200 or 201 referenced in requirement 2. below may also satisfy the University mathematics requirement.

The University's Tier II writing requirement for the Landscape Architecture major is met by completing Landscape Architecture 480. That course is referenced in item 2. c. below.

The following requirements for the major:

a. A cumulative MSU minimum grade–point average of 2.00 in all Landscape Architecture courses referenced in requirement 2.c. below.

b. Collateral Courses (30 to 35 credits):
   (1) All of the following courses (22 credits):
   - HRT 211 Landscape Plants I 3
   - HRT 212 Landscape Plants II 3
   - HRT 311 Landscape Design and Management Specifications 4
   - ISS 310 People and the Environment (I) 4
   - PDC 120 Planning and Design Digital Graphics 2
   - PLB 105 Plant Biology 3
   - UP 424 Geographic Information Systems and Design Tools for Planning 3

   (2) One of the following groups (5 to 7 credits):
   (a) MTH 116 College Algebra and Trigonometry 5
   (b) MTH 103 College Algebra 3
   And
   MTH 114 Trigonometry 3
   (c) MTH 103 College Algebra 3
   STT 200 Statistical Methods 3
   Or
   STT 201 Statistical Methods 4

   (3) Students must demonstrate AutoCAD proficiency through transfer credit, waiver or completion of the following course (0 to 3 credits):
   IDES 240 Computer-Aided Design for Designers 3

   (4) One of the following courses (3 credits):
   EC 201 Introduction to Microeconomics 3
   EC 202 Introduction to Macroeconomics 3

c. Landscape Architecture Courses: All of the following courses (61 credits):
   - LA 140 Graphics and Two-Dimensional Design Studio 4
   - LA 141 Graphics and Three-Dimensional Design Studio 4
   - LA 200 Introduction to Landscape Architecture 3
   - LA 230 Site Construction Materials and Methods 4
   - LA 231 Landscape Site Engineering 4
   - LA 242 Creating Space Studio 4
   - LA 243 Place Making Studio 4
   - LA 332 Advanced Landscape Site Engineering 4
   - LA 344 Connections of Scale Studio 5
   - LA 345 Design Development Studio 5
   - LA 390 Landscape Architecture Field Studies 3
   - LA 421 Drawing as Knowing 4
   - LA 447 Juried Design Studio 5
   - LA 448 Regional Environmental Design Studio 2
   - LA 449 Landscape Architecture Design Studio 3
   - LA 480 Professional Practice in Landscape Architecture (W) 3
PART I - NEW ACADEMIC PROGRAMS AND PROGRAM CHANGES – continued - 4
February 21, 2019

d. Directed Electives (14 credits):
A minimum of 14 additional credits in courses approved by the student's academic advisor and program director. Courses that are used to satisfy the University Integrative Studies and writing requirements may not be used to satisfy this requirement. Courses used to satisfy the AutoCAD proficiency requirement referenced in item 2 b. (3) above may not be used to satisfy this requirement.

Effective Fall 2019.

4. Request to change the requirements for the Master of Science degree in Construction Management in the School of Planning, Design and Construction to the following. The University Committee on Graduate Studies (UCGS) will consider this request at its February 11, 2019 meeting.

a. Under the heading Admission replace paragraph three with the following:

Applicants who have not completed the credits referenced in item 4. above may be required to complete specified collateral courses with a grade-point average of at least 3.00. These courses will not count toward the degree. The guidance committee will determine which courses are required as collateral courses for each applicant.

b. Under the heading Requirements for the Master of Science Degree in Construction Management replace the entire entry with the following:

The student must complete a total of 30 credits for the degree under Plan A (with thesis) or 33 credits for the degree under Plan B (without thesis). For students who elect independent study courses, including Construction Management 890, no more than 6 credits under Plan A and 9 credits under Plan B may be counted toward the requirements for the degree. The student’s program of study must be approved by the student’s academic advisor and must meet the requirements specified below:

Requirements for Plan A
1. A minimum of 18 credits in 800–900 level courses.
2. All of the following courses:
   - CMP 817 Construction Project Management and Information Systems 3
   - CMP 822 Contracts and Legal Issues in Construction 3
   - CMP 893 Elements and Methods of Research for Built Environment 3
3. One additional 800-level Construction Management course, excluding Construction Management 890, 898, and 899. Students without a background in construction methods, project scheduling and estimating must complete Construction Management 801, 811 and 815 in partial fulfillment of this requirement.
4. One 400-level course or above in statistics.

Additional Requirements for Plan A
1. Complete 6 credits of Construction Management 899. No more than 6 credits may be counted toward the requirements for the degree under Plan A.
2. Complete and defend a master’s thesis acceptable to the student's guidance committee.

Requirements for Plan B
1. A minimum of 24 credits in 800-900 level courses.
2. All of the following courses:
   - CMP 817 Construction Project Management and Information Systems 3
   - CMP 822 Contracts and Legal Issues in Construction 3
   - CMP 893 Elements and Methods of Research for Built Environment 3
3. One additional 800-level Construction Management course, excluding Construction Management 890, 898, and 899. Students without a background in construction project scheduling and estimating must complete Construction Management 801, 811 and 815 in partial fulfillment of this requirement.
4. One 400-level course or above in statistics.
**Additional Requirements for Plan B**

Completion of one of the following:

1. Successful completion of a final examination given by the guidance committee.
2. Pass the AIC Level 1 certification examination.
3. Complete 3 credits of Construction Management 898. No more than 3 credits may be counted towards the requirements for the degree under Plan B.
   Successfully defend the research paper acceptable to the guidance committee.

Effective Fall 2019.

Effective Fall 2019.

COLLEGE OF SOCIAL SCIENCES

1. Request to change the requirements for the Master of Social Work degree with majors in Clinical Social Work, Clinical Social Work-Advanced Standing, Organization and Community Leadership, and Organization and Community Leadership-Advanced Standing in the School of Social Work. The University Committee on Graduate Studies (UCGS) will consider this request at February 11, 2019 meeting.

   a. Under the heading Master of Social Work replace the entire entry with the following:

   The Master of Social Work degree program includes extensive required courses and course sequences in social work. Only Plan B (without thesis) is available.

   In addition to meeting the requirements of the university and of the College of Social Science, students must meet the requirements specified below.

   Admission to the Master of Social Work Degree Program

   All students begin the Master of Social Work degree program in the fall semester to align their enrollment with the sequencing of required courses. Therefore, applicants should seek admission during the previous fall semester. Students wishing to be considered for admission must complete all the application materials described on the School of Social Work Web site at www.socialwork.msu.edu. Although an undergraduate major or concentration in the social sciences or in social work may be helpful, it is not required.

   To be considered for admission to the Master of Social Work degree program, a person must have:

   1. A Bachelor of Arts or Bachelor of Science degree from a recognized institution. (Bachelor of Applied Science degrees are not accepted)
   2. A grade–point average of at least 3.0 (on a 4.0 scale) during undergraduate study or in 14 or more credits of graduate study. The grade-point average in the last 60 credits or their equivalents of undergraduate course work is primarily considered.
   3. Evidence of personal qualities considered important for the practice of social work, as demonstrated through the applicant statement and letters of reference.
   4. Prior academic work reflecting a liberal arts perspective with 19 credits in humanities and social and natural sciences, such as courses in sociology, psychology, anthropology, history, philosophy, literature and languages.
In addition to these requirements, applicants to the Statewide Blended and Weekend program options must meet additional requirements. For Statewide Blended, applicants must:

1. Live more than 30 miles from both the East Lansing and Flint campuses.
2. Live in the state of Michigan, or if out-of-state, within 50 miles of the Michigan border.
3. Have regular access to high-speed internet service.
4. Complete an online assessment and orientation program on how to learn effectively in the online environment.
5. Applicants may also be asked to participate in a personal interview.

For Weekend, applicants must:

1. Live in the state of Michigan, or if out-of-state, within 50 miles of the Michigan border.
2. Have regular access to high-speed internet service.
3. Complete an online assessment and orientation program on how to learn effectively in the online environment.
4. Applicants may also be asked to participate in a personal interview.

Requirements for the Master of Social Work Degree Program

The student must complete 57 credits in specified instruction in social work. Detailed plans of study are available in the Master of Social Work Manual which is available at www.socialwork.msu.edu. Required course work for both the Clinical Social Work major and the Organization and Community Leadership major are taken in the following areas: social work practice methods, human behavior and the social environment, social welfare policy, research methods, and field education.

Admission to the Advanced Standing Master of Social Work Program

Persons who hold a recent bachelor’s degree in social work from a program that is accredited by the Council on Social Work Education (CSWE) may apply for admission to the Advanced Standing Master of Social Work Program.

Students begin the program in summer session. Applicants should therefore seek admission during the previous fall semester. Students wishing to be considered for admission must complete all the application materials described on the School of Social Work Web site www.socialwork.msu.edu.

To be considered for admission to the Advanced Standing Master of Social Work program, a person must have:

1. A bachelor’s degree in social work granted within the last six years from a program that is accredited by the Council on Social Work Education (CSWE).
2. A grade-point average of at least 3.25 (on a 4.0 scale) during undergraduate study. The grade-point average in the last 60 credits or their equivalents of undergraduate course work is primarily considered.
3. Evidence of personal qualities considered important for the practice of social work as demonstrated through the applicant statement and letters of reference.
4. Prior academic work reflecting a liberal arts perspective with 19 credits in humanities and social and natural sciences, such as courses in sociology, psychology, anthropology, history, philosophy, literature, and languages.

In addition, applicants to the Statewide Blended Advanced Standing program must also:

1. Live more than 30 miles from both the East Lansing, Oakland, and Mid-Michigan campuses.
2. Live in the state of Michigan, or if out-of-state, within 50 miles of the Michigan border.
3. Have regular access to high-speed internet service.
4. Complete an online assessment and orientation program on how to learn effectively in the online environment.
5. Applicants may also be asked to participate in a personal interview.
Requirements for the Advanced Standing Master of Social Work Program

The student must complete 38 credits in specified instruction in social work. Detailed plans of study are available in the Master of Social Work Manual which is available at www.socialwork.msu.edu. Required course work for both the Clinical Social Work major and the Organization and Community Leadership major are taken in the following areas: social work practice methods, social welfare policy, research methods, and field education.

Residence

One year of residence consisting of two consecutive semesters and involving at least 7 credits of graduate course work each semester is required. If students attend part–time, the residency requirement must be met in the year that the advanced methods and practicum courses are being completed.

Part–Time Students

Both the Master of Social Work program and the Advanced Standing Master of Social Work program are available on a part–time basis.

At the time of admission, students must apply for either part–time or full–time study. Students may transfer between part–time and full–time study with approval of the School. The process is outlined in the MSW Handbook.

Part–time students must progress through a plan of study as specified by the school. All students must meet their residence requirements during the year in which they are enrolled in the advanced practice and field instruction courses.
